

Faith Mucherwa

Food Processing Technology Graduate

Belvedere, New Ridgeview, Zimbabwe | fayeemucherwa@gmail.com | +263 78 784 8039

PROFESSIONAL SUMMARY

A proactive and self-driven BSc Food Processing Technology graduate from the Harare Institute of Technology, with strong academic achievement and voluntary experience. Possess excellent learning, time management and problem-solving skills due to a series of close-knit coursework deadlines, projects, exams and work experience. Eager to apply acquired technical skills and academic training in a dynamic food manufacturing environment, particularly in product development, quality assurance and process innovation. Dedicated to improving product quality and customer satisfaction through research-based solutions.

EDUCATION

Harare Institute of Technology | *Food Processing Technology*

Harare, Zimbabwe | 2021-2025

- Pending Graduation: *October 2025*
- Predicted Degree Class: *First Class*

Bradely High School

Harare, Zimbabwe | 2015-2018

Ordinary level:

- 11 passes including Mathematics and English

Bradely High School

Harare, Zimbabwe | 2019-2020

Advanced level:

- 3 passes in Biology, Pure Mathematics and Chemistry

SKILLS

- **Software Tools:** Microsoft Word, Excel, PowerPoint, ZOOM, Google Meet, ChatGPT **Technical Skills:** Proficient
- **Technology principles** Experienced in biscuit formulation, recipe development and shelf-life testing. Familiar with Good Manufacturing Practices (GMP) and HACCP procedures. Competent in sensory evaluation, quality **Proficiency:** Good

assurance and process optimization.
Able to conduct experiments,
analyze product performance and
suggest improvements.

- **Communication**
- Written and oral communication: English and Shona
- Language Proficiency:** Strong

WORK EXPERIENCE

National Foods Limited | *Research and Development Intern [Industrial Attachment: July 2023 – August 2024]*
